

Great Oak High School AEDs/Stop the Bleed/Narcan Location Map

Stop the Bleed is located next to each AED in the Reception Foyer, Gymnasium Foyer, Stadium snack bar, Performing Art Center (on opposite side of sound booth inside the PAC), and a small bleeding control kit is in baseball home dugout and softball home dugout

Narcan is located in the GOHS Health office spirit center

Location	Access Needed	Location Description (Picture)	Picture
Reception Foyer	WA25 Key	Wall adjacent to Men's and Women's Restrooms	 A photograph of a reception foyer area. On the left is a wooden door. To the right is a display case filled with red sports gear, including jerseys and hats. A sign on the wall reads "ATION, ATHLETICS, ACTIVITIES".
Gymnasium Foyer	WK Key	Wall adjacent to the Women's Restroom	 A photograph of a hallway or foyer area. On the left wall are two fire extinguishers. In the center is a black vending machine. On the right is a doorway with a sign that says "WOMEN'S RESTROOM".
Softball Home Dugout	Gate Key	Wall directly ahead of home dugout entrance	
Baseball Home Dugout	Gate Key	Wall to the right side of the home dugout	 A photograph of the entrance to a dugout. A red and white sign with the word "Ball" is visible. The dugout is open, showing the interior. A chain-link fence is in the background.
Stadium Snack Bar Closet	WK Key	Wall inside the CUSTODIAL closet behind the Snack Bar window	 A photograph of a blue door leading into a room. Inside the room, there is a blue cart with various items on it, including what looks like a water cooler and some supplies.
Aquatics Center	Pool Card Key	Wall inside the Aquatics Center Equipment Room	

Performing Arts Center	WK Key	Wall to the right of the sound booth inside the PAC
