Arrival of your Buses and Trucks

Buses will park in the main parking lot in front of the school, adjacent to the 6 warm-ups zones provided for each ensemble. Please see the image below (next page) for more information. We will work with your group to keep your entourage parked together, we do suggest less personal vehicles near your buses and equipment trucks. It is safer for personal vehicles and heavy equipment and props to be separated.

Traffic Alerts

We will do our best to provide you with any significant updates from Caltrans or The City of Temecula should there be cause for expected delays on the Freeways Approaching Great Oak.

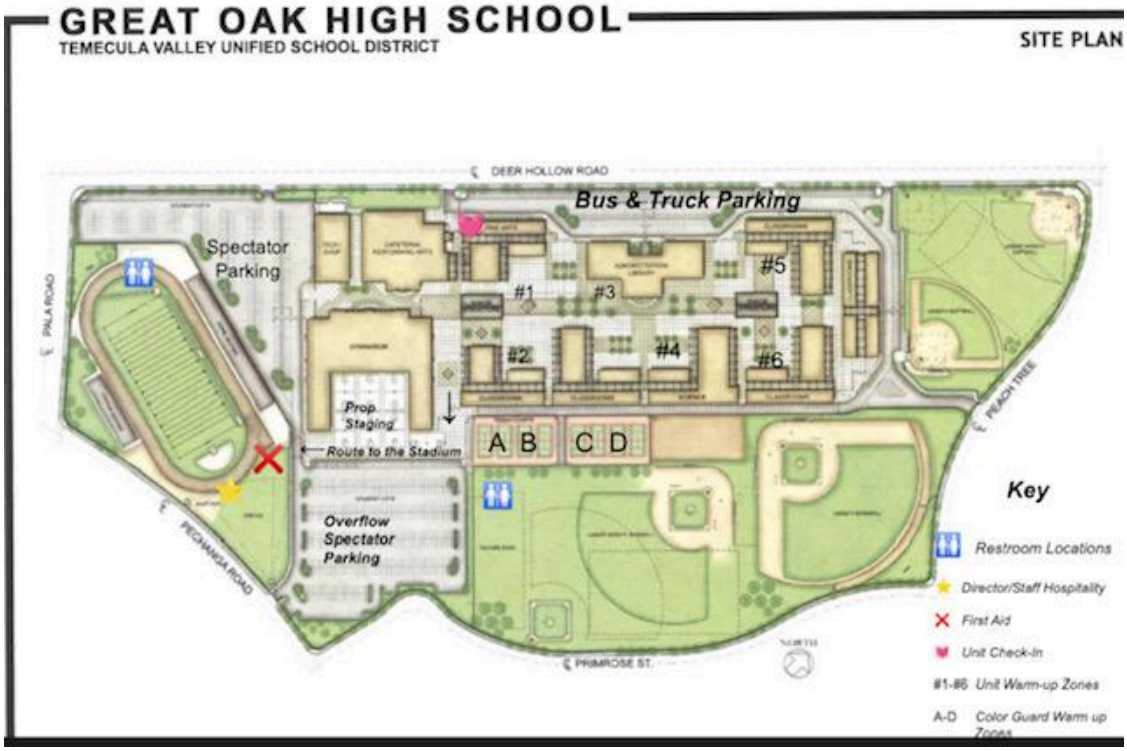
Site Overview



Wristbands & Staff Badges

Directors will receive this packet upon check-in and receive ***wristbands for each performer*** (required for re-entry into the stadium after their performance). Performing groups are welcome and encouraged to watch other bands (see "unit seating" pdf for assigned areas).

The California State Band Championships have provided each ensemble with official staff badges. In addition we are happy to provide chaperone support passes (1 for every 10 performers - up to 15 for 6A groups).

Warm-Up

Full band warm-up, color guard warm-up, and percussion warm-ups can be done in the quad areas of our campus. Due to proximity to the stadium and respect to the performing units, do not play music or mets in areas close to the stadium.

We have designated each of the warm-up zones on campus for each group, and have kept them purposefully distanced from the stadium. *Please aim metronomes and full ensemble sounds away from the stadium so as not to interfere with show logistics.*

Warm-Up Zones

Warm up areas #1-#6 for Winds and Percussion. We have assigned groups a zone that will stagger your start times and sound to create a smoother warm-up time. Your guard is welcome to use the same zone, as well, or…

Guard Warm up area A-D on the tennis courts. The lights on the tennis courts are activated by pushing the buttons. **When the orange/yellow lights begin flashing on the light pole, be sure to hit the button to keep them on.** If you are late to hitting the button, the lights will turn off and have about a 10-15 cool down period before turning back on.

Note: electrical boxes on campus are unlocked & accessible for your pit to plug in. Although they the boxes are "closed," they are unlocked and can be manipulated open

Percussion Equipment/Props

Please make sure you have adequate staff and means to assist the moving of your percussion equipment and props to and from the performance area. Absolutely no trucks or vehicles of significant weight will be allowed on the track.

We ask that all pit percussion sections arrive at least ONE band prior to your groups' scheduled performance time. Front ensembles will enter AND exit at the same entrance on the Southeast entry of the stadium.

Please note there is plenty of space for prop staging. However, ***please keep your storage zone neat and accessible*** so other units may effectively use the space, as well.

Note: locker rooms and restrooms are located in the prop staging and storage zone and near where the units will be lining up for performance.

Band Entry/Exit Point

All performing groups will enter and exit at the Southeast entry gate to the stadium.

The Band that is “on deck,” will pre-set on the track outside of the Southeast end zone to leave room for the parting band (see map).

Be sure to have your group positioned to enter the field one full performance slot (13/15 minutes) ahead of your own. Late arrival to the gate will cause a traffic jam of the departing band and may cause a timing penalty. Please plan accordingly.

Spectator Viewpoints

Spectator Parking

Spectator parking is free and available in our two parking lots surrounding the stadium. Our Stadium Lot and the Sr. Lots (located at the rear of the stadium) are dedicated to spectators.

Spectator Admissions

Spectators Entry to our event is $15, and kids 5 and under are free. A variety of food and beverages will be on sale for students, chaperones, and band parents. This is a fundraiser event and we encourage all participants to support the Spirit of Great Oak by purchasing food at the concession stands in the stadium.

Rainy Day Plan

Performances will be moved into the gym. As a WGI Host School, we are prepared to move the event indoors if necessary. Each unit will be given a designated time to warm-up in our performing arts center (front ensemble on the top tile area, winds & battery on the middle level, and guard on the lower level).

The gym dimensions will allow each group to perform in arcs and provide space for your color guard to perform on either side of the ensemble, as well as behind. Unit entry will be from the front east gym entrance; units will exit via the back west side doors. Prop use is subject to fitting through the gym entries and exits.

Concessions

The students and parents in the Spirit of Great Oak have certainly enjoyed the variety of concessions offered at each of the shows we've attended. Thank you for inspiring us!

Students will have full access to concessions and vendors. Please recommend your students bring cash to buy dinner at concessions as not all vendors will accept credit/debit.

As a thank you for all you do for your ensembles, please find a gift inside this envelope. You are welcome to add it to your collection, or you may designate it to a deserving performer. Thank you for supporting music education and our event.

2026 Spirit of Champions Patch - $5

Available for purchase at the merchandise table!

Vendors

SOGO is proud to host apparel, stickers, event patches, and “Freeze Legend” (freeze dried candy) as our select vendors, in addition to our concessions.

Hospitality

To show our gratitude for your participation in our event, we have a hospitality area prepared for our guest directors and staff. Directors will also receive a gift on behalf of our boosters - the students seem to love patches, we suspect their directors do too. If not, feel free to bestow upon a deserving team member. Our hospitality area is imagined and sponsored by our amazing SOGO Boosters.

Enjoy a well deserved Fiesta to celebrate the CSBC Season
